Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would love to be a driver because in my current job I drive all over South Africa every day besides weekends and that has made me to know a lot of routes (Shortcuts, pothole routes, sight seeing routes etc.) so I know because of my experience in driving I would assist Coca Cola a lot by even saving fuel because of efficient driving and the short cuts that I know.

I would also like to be an administrator for the Company because of my experience, I have over 4 years experience as an admin from the Justice Department, IEC Department, Retail Department & Construction department. Working in many departments has made me learn more and have gathered experience such as communication skills, verbal & writing skills, Independence & Administrative skills, Leadership skills, Planning & co-ordinating skills which makes me suitable candidate for the job.
