What job i'm looking for? My positive points

I am looking for a cleaning job, because I have been working as a cleaner at Linksfield Barbershop for over 5 years. Also I am a very fast learner, hardworking person. I can work with or without supervision, I may not have enough experience on being a cashier but I'm definitely sure I can be a good one, I always do all my best while doing a job, and also I can even work on other job description even if it not my work description.
