Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for any job that'll help me with my responsibilities ,because I don't have any dependents..and I've been struggling to find a job ever since I finished school in 2020.

I'm very hard working and always eager to work harder and learn more.

I need any sort of job so I can afford for my school studies ,because I want to go varsity ..

So I just pray God be with me and grant me with a job ,so I can cover for my school studies .
