Curriculum Vitae (CV)

What job i'm looking for? My positive points

I communicate well with people. I am ambitious. I have never worked before but I am willing to learn and I learn fast. And it would be a great pleasure to work with more experienced people, to work with diverse group of people. And to be part of something big. And you should why me because I need the job and I believe I am good asset. And if you don't hire me, it is a loss for you.
