Curriculum Vitae (CV)

What job i'm looking for? My positive points

Given my education in public management, I'd love a role that allows me to use my expertise in these areas, but understand that I need to work my way up from an entry level role in order to transition into a managerial position.

I have very strong analytical skills.

I will try to solve the problem's source not the problem.

I will never hesitated to accept my failures. Through that i will never fails to learn .

I am very good listener, if someone is speaking with me about something, also hard working and time management.
