Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking forward to be part of kitchen assistant or somewhere in retail stores and also in call centres that doesn't need experience.

I have matric, I was once a Business Management student but I had to drop out in N5 because I couldn't pay for registration since I failed twice that class and NSfas could not pay for me. But I'm so humble and punctual about my work since I haven't been in any warnings because I'm always giving the best results in what I do. I also did fast food and food Safety learnership, I've done my practicals at Kauai as kitchen assistant.
