Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for any job opportunity which may be advance to my needs and family. Job type: IT computing job, general worker, marketing, and business management system. I'm a very well responsible man, humble and kind, willing to develop n learn new skills. I've computer literacy certificate, microsoft 101 DBE, safety at work covid-19 certificate, etc. I'm looking for a job offer which can be very gainful to me as I'm a very good thinker, who's always willing to communicate, negotiate n co operate with other people to create well United team to have humidity and good communication at work. I'm also able to work under pressure, i manage to settle my emotions not to interfere other's. I like to learn what's new from other's by sharing ideas of which that may create success because other's view may also lead you further more about life goals.
