What job i'm looking for? My positive points

Looking for a legal job that has to do with safety of the society since I already have a "Peace Officer" certificate.

Looking forward to work with people, and to serve the community by any means necessary.

I'm punctual, self motivated and I'm eager to work under pressure. I've been in Chrysalis Academy so I've learnt a lot about confidentiality, how to work with people, not to discriminate people of the other races I've learnt a lot in Chrysalis, I was placed in South African Police Services in Kraaifontein as an intern since the 1st of August 2022 up until now I'm still working in SAPS doing what I do best. There's a lot I can say about my self but I prefer to show use what I'm good at than explaining in words but you can never regret employing me.
