

Mashela Taswell Makgato

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Millwright or electrician. Where I'm working now they employed as senior Electrician but I'm doing boilermaking and a welding job, so probably now I am multi-skilled worker in the company. I'm so happy that I learned so many things in the company and still want to learn more. In my trade test I did electrical and mechanical fitter.
