Work experience

Working period	**nuo 2023.03 iki 2023.03**
Company name	Limitless Horison (PTY) LTD
You were working at:	Developers
Occupation	Freelancing
What you did at this job position?	I was given a poster to create a landing page out of it. I didn't have much resources from them, they just told me to be creative and be wild. I developed this landing page using html, css and javaScript, And I was given only a day to complete this website.

Working period	**nuo 2022.01 iki 2022.02**
Company name	ADPList
You were working at:	Web designers
Occupation	Web designer student
What you did at this job position?	In order for us to get certified we were required to build an e-commerce website or a blog website or a website promoting local business/NGOs. And I was like why not go local? As a developer you should solve problems within your community before going international. And I decided to create a website for untrained chefs using webflow, untrained chefs is a restaurant around where I stay.
