

Tshepo Diane

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any general work or anything to do with computers because i am very good with computers, my favorite subject was CAT that's where i learned much about computers. I know every basic about computers even more than basics hence i stated that I'm very good with computers because thats my skill. I am dedicated about my work and i take my work very serious, to me nothing is important than my work because i take it as my first priority.
