Curriculum Vitae (CV)

What job i'm looking for? My positive points

I hold a degree in Environmental health, I am an enthusiastic and motivated Environmental Health Practitioner with 3 years of experience, I worked for a year at Maphutha L Malatji Hospital, then worked 2 years at Nelson Mandela Bay Municipality. I pride myself on being highly organized, detail oriented, driven, solution oriented and I deliver a great customer service. I have passion as well as commitment in ensuring public health and safety as well as sustainability and environmental preservation. Expert in occupational health and safety, water quality management, communicable disease surveillance and prevention, waste management, food and meat hygiene, management of human remains, health surveillance of premises, vector control, chemical safety, environmental pollution control and health promotion. Excellent ability to identify and manage health risks due to environmental factors, with experience in ensuring regulatory compliance.

Throughout my work career I have also learned administrative duties, as I was responsible for receiving calls , minutes writing, meetings, report writing, and make use of computer , photocopy machine and other administrative duties. So I would be interested in administrative and clerical jobs
