Curriculum Vitae (CV)

What job i'm looking for? My positive points

I just grew up with siblings and cousin and I can say I enjoy spending time with them.

I love kids since I was young until now.

I love hard when it comes to kids and I became over protective towards them.

The way I love kids , I love waking on the day care nearby called HAPPINESS OF JOY DAY CARE

I wasn't earning because I was doing what I love because I enjoy being around them. Now I have stopped because I have one of my own which I got her this year... she's so adorable and I need to work for her so that I can be the best mommy she needs.
