Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a 33 year old male from Bergville KZN looking for a nursing job in Gauteng because of the low employment rate in KZN, I do currently have a job but it's not doing much for me so I'm willing to relocate anywhere around Johannesburg and West Rand, I'm a really hard worker and well organized, I'm also a father to two children who need me to provide for them, so I would be very pleased if my application is successful so I can earn for a better living for me and family.
