Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Ifeoma Katiya, and I am a 25 year old graduate based in Cape Town. I am currently seeking a job as an online English Tutor.

I am motivated, energetic and hard-working, and like to make an impact in any environment I work in. I hold a BA in Fashion Media from LISOF and have recently obtained a TEFL certificate from the TEFL Professional Development Institute. I have also had some experience as an Administrative Assistant at the Kagiso Shanduka Trust, working mostly at teacher's workshops.

I believe myself to be patient, detail oriented, creative and very driven - which is why this opportunity stood out to me. I would love an opportunity to work with children and people wanting to learn English. As someone who values education and is passionate about the English subject, I have a passion for helping people and seeing their knowledge and confidence grow.

I am open to learning, constructive criticism and opening myself to new things and people. This would be an amazing chance to break into the online teaching industry.
