What job i'm looking for? My positive points

I'm looking for an office job, preferably in law field as I'm in a position of a level 5 certificate in paralegal with no experience I'm willing to learn in a working environment so that I gain experience as well, I'm very much disciplined and hard working, I never got an opportunity to work in the law field after obtaining my qualification, but that didn't stop me from working, I'm currently working as a cashier I have gained experience, working in a law field has been my passion after obtaining my certification I did not stop studying, I managed to register some few first year modules of LLB I did not finish my degree because of finances as I am a mother of 1, I should also take care of my daughter and make sure she's well taken care of so basically my salary can't pay my fees and support a one year old, as a Mother I had to put my daughter first, so hiring me will be giving me an opportunity to give my daughter a better future as I will be able to further my studies and take care of my little one as well
