Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have 6+ years of truck driving experience. I've driven normal and well and superlink trucks. For the past few years I've driven both national and international. I do GDP as well as a Dangerous Goods Certificate. For the past years I've learnt a lot about the truck driving industry and how you need to conduct yourself at all times on the road as well as representing the company I'm working for. Delivering to the customers and employees needs is very important to me. I'd really appreciate it if I could get the opportunity to be part of the company as I've got a lot of potential to deliver as expected of me.
