Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for Mechanical Engineering (Maintenance and operation) jobs. I am currently studying diploma in mechanical engineering (S3) and I am passionate and enjoy the course. It has always been my wish to study mechanical engineering and working as an engineer. I believe that this company will make my dream come true. I have researched about implants and I strongly believe I will add value and grow in within the field of mechanical engineering. I am dedicated and hardworking individual who is eager to learn more and grow within the company
