

Nomfundo Ngcobo

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am Nomfundo Ngcobo a young and enthusiastic 21-year-old currently doing her 4th year in LLB at the University of KwaZulu-Natal. I am an incredible multitasker hence the reason for applying for part-time, remote jobs. I believe I am very fluent in English and that given my level of education, my writing skills would be sufficient enough to fulfil the duties and requirements expected from me. I am also a good listener which makes learning and taking instructions very easy for me. I would also like to expand my experience, not merely have it confined and limited to the legal world. Having a world of diversity to choose from will not only expose my capability to potential employers but it will also give me a chance as a student to broaden my horizon and explore different work areas. It would be highly beneficial and important for me to be given the opportunity of being considered as a potential employee.

Thank You.
