Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I firmly believe that a combination of my natural abilities, personal and little work experience, I believe it makes me an ideal candidate

I am Jacobeth Ngale , 20 years of age. I consider myself to be passionate, quick learner and most importantly a responsible person. I am motivated and enthusiastic which I have a great desire in becoming a Team leader /Supervisor as I have some experience of working in a multi -cultured working environment where I was an Educational Assistant, assisting and organizing, providing educational materials and a little of administration. I firmly believe that these duties require excellent interpersonal skills, ability to prioritize and organize, and the dedication to learning and research. Having communication skills is an essential skill to have and I consistently believe in taking challenges and exploring new ingenious concepts. I am fluent in both written and spoken English and understand Afrikaans furthermore I was employed at Pick'n pay performing the duties of a merchandiser and a cleaner so I would state that I do have experience in a retail environment and have a clear understanding of what is required to achieve within a retail industry

I am extremely interested in gaining experience in the industry but not just experience but knowledge. I have all these to offer as well as an enthusiasm along with passion of knowledge. I have a friendly nature and I feel that I am helpful in my approach to people's needs
