

Donald Xolani Masilela

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Hello I Donald Xolani Masilela residing at Limpopo province I'm accountable to finish what I started I'm good in team and respect time management. I'm applying for Learnership, apprenticeship, operator and N2 engineering Boilermaker, Fitter and tuner and any job's necessary too besides I'm a handy man especially when it comes to operating and theoretical knowledge, front end loader tractor together with Boiler maker and computer literacy that's my best qualifications. I'd be honored to be part of your company and grow the company for future generations in order to decrease poverty and inflation etc.. By any means suppressing our country not to be independent, now that's where I fit to come up with ideas for better living. I seek challenging opportunities where I can fully use my skills for the success of the organization and Energetic community outreach person experienced in creating and completing outreach programs in urban communities. I am also looking for a challenging job with a rapidly growing organization that can provide me with a range of goals and opportunities within a contemporary and economical business setting.

My wish is to hear feedback from the company.

I Thank you
