

Mpho Lethule

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an administrative position since im currently working as a data capture for an insurance company. I started working for them in (2016 -current) 8years ago as an administrator and would now like to grow professionally and personally by not limiting capabilities. I want to learn, experience and explore limitless possibilities and opportunities in the economic sector.

I am a passionate individual who always want to deliver excellent and quality services to my employer and the members or our clients. I have good written and verbal communication skills which always assist me when facing conflicts and having to resolve them.

I work well under pressure and manage to be productive despite the stressful situations I am currently working under. I very resilient, persevere and try to be optimistic about life in general..

Taking into account the experience I already possess my attributes, I believe with proper training and good understanding of the work and product knowledge i will gain for the role, I will be more that capable of delivering quality and work in my team and the organization.
