Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am Mr Sejeng Madigoe and hereby forwarding my resume to apply for the internship at your organization. Am proficient in Microsoft office (MS word, PowerPoint, and Excel), time management, strategy planning and conflict resolving.

Am interested in the following key performance areas:SHEQ, Risk management, Environmental compliance, Project management, Waste management, Integrated environmental management systems, Water purification process and controller. The above mentioned position aligns very well with the modules I have studied in my part-time post graduate qualification(Bsc honors in Environmental management) that is still in progress at UNISA.

My modules include: Environmental risk assessment and management, Impact mitigation and management, integrated environmental management.

I have also obtained Bsc degree in community water service and sanitation from University of Limpopo, where I majored in the following modules: Water treatment processes and technology, environmental resource planning and management, Solid waste management, Water resource management and conservation.

This opportunity will help me gain work experience that aligns very well with my qualifications.

Am Looking forward to serve your organisation with dignity and respect.
