Curriculum Vitae (CV)

What job i'm looking for? My positive points

Am looking for boilermaker/welding job, I've started working on the field since 2009 as semiskilled and then 2013 I qualified as boilermaker trade tested after four years exposure. After I qualified I worked for various companies such as Medupi power project (Lephalale), Petra Diamond mine (Cullinan), The Afrits (Roslyn), Silverton Engineering (Silverton) etc where I serve my service with much determination, hardworking and unlimited consistency. With my decade and half experience I have in the field I am confident that any establishment could benefit much positively from that strength.
