Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a young student , looking for an any job just to get some income for mine and my families needs . I'm an online student so there's no need to worry about adjusting my hours of work for school. I'm a very bright and intelligent female , I'm well spoken and an attentive listener , I can easily catch on things and bring about the best results as possible. I have great leadership and communication skills , I was a prefect both in primary and high school, I matriculated with a diploma and I'm currently studying software development with ALX . I believe that I would be a great asset to the company and hiring me would benefit your company more than me.
