Curriculum Vitae (CV)

What job i'm looking for? My positive points

Dear Hiring Manager,

As a recent graduate from Central Johannesburg college with a N1-N3 certificate in Boilermaking, I am extremely interested in the Boilermaker opportunity posted on the company's website. After reviewing the key qualifications for this role, I am confident that I am well-prepared to be a valuable contributor to company growth and success.

Through my academic journey, I applied a strong focus on building my cleaning equipment and welding metal components abilities. I am detail-oriented and meticulous when managing competing priorities within tight deadlines. I work best in roles where utilizing repair work allows me to make a positive impact while using creative problem-solving to resolve issues and achieve goals.

My academic strengths have greatly contributed to the development of my communication, organization and teamwork skills. I bring clear and effective communicating to build professional connections with co-workers, management and customers. I would welcome the opportunity to further discuss the details of my experience and attributes which I believe will be an asset to the company's team. Please review my attached resume for additional insight into my background. Thank you for your time and consideration

Sincerely,

Fezile Sicongwana
