Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I was first driver at Vanel Transport on 2017 to 2022 on that period I put Vanel Transport on the highway level, from the first truck to eight trucks and I am very proud of that, because I played a big role there, my duties I was a driver but I did other jobs like, check the POD, check the trucks, check PPE, check stock before the driver's leave and I was a team leader. I did all that for 4 years before the company decided to hire side manager. I so proud about that.
