Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a young black energetic 25 years old male.

I am from deep rural area called Nongoma in KZN but currently staying in Pretoria while looking for a Job

I am a hard worker and dedicates myself to whatever task I am given to do.

I need this Job to support my family and give them a better state of living since things are not good at home as an older brother to my siblings I need to support them by buying them school uniform, stationaries, things that my parents cannot afford but important for their future.

Many males who are at my age and having a similar situation do not hesitate to put themselves in crime to support their families but as a unique young person I decide to look for a job.

I beg to be the first candidate you choose when selecting employees to hire.
