What job i'm looking for? My positive points

I believe I can be a great asset to the Company, because of my experience in the church as a Youth leader, I have learnt how to be a good listener, fast learner and to serve those I'm ministering to, in humility. With this experience of dealing with different kinds of people, it has given me effective communication skills based on honesty, reliability, punctuality, accountability and good conflict resolution skills. I believe I will be a good addition to the team and I promise to give more than what is expected
