

Elsie Zinhle Dhludhlu

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any kind of a job, but I would be more happy to find something similar to what I was studying at Vaal University of Technology which is Cost and Management Accounting to gain knowledge and skills in that department.

I am a hard working person, who can work under alot of pressure with or without supervision.

Fast learner who is keen to learn new things everyday.
