What job i'm looking for? My positive points

I'm a patient and quick learner, I'm kind, loving and able to work as team. I'm a single Mom of a 2 year old boy, I need a job so I can take care of him. I also want to save up some money so I can go study at a beauty Academy and be able to be a qualified beauty specialist and open my own beauty bar. If I could get hired I would be so happy and I would be very patient with my job.
