What job i'm looking for? My positive points

I am mostly interested in a job where I get to interact with different people on a daily basis . I'm a very vibrant and hardworking person. I work very well in a team and can execute instructions as given but can also work without having received any instructions. I can fluently speak Afrikaans and English. My Xhosa and Zulu is not fluent but I do understand the languages but speak them with difficulty. On my CV I state that I am indeed from the Eastern Cape but is very willing to relocate . I have my own accommodation. I believe i would be an asset to any employer. I am a very trustworthy person and once committed to something I don't easily quit.
