

Jerry Itumeleng Mosala

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am writing to express my interest in working for any construction entity. I graduated in 2020 for Construction Management program at Central University of Technology in Free State. As part of my program I did project management and facility management. As well as management and accounting, sourcing and managing project funds, contract management and operations management. I believe this will be valuable in helping me develop deeper understanding of the complex dynamics that drive the financing and delivering of care in Construction built environment

I believe that my academic and industry knowledge has provided me with organizational skills, interpersonal and analytical skills that will enable me to contribute to your organization. Please find enclosed copy of my resume, which provide additional information on my background.

Assisted in the management of construction projects, including project scheduling, and procurement of materials and equipment

- Coordinated with subcontractors and suppliers, to ensure timely completion of projects
- Reviewed and interpreted construction drawings and specifications
- Conducted site visits and inspections to monitor progress and ensure compliance with safety regulations
