Curriculum Vitae (CV)

What job i'm looking for? My positive points

The reason why am looking for a job is that am the only person who can provide some food for my family. After my Mother got sick there's no one to provide for us .I mean me and my 3 siblings.Am the only one who can change the home situation. I would be pleased to get any security job and it will do a lot of change at home if I get the job.
