

Neo Mukhufi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job as an assembler as I have previously occupied employment at an assembling company known as Kaizen engineering pty which was in contract with Ford car plant in Silverton. I would further prefer to work at any level of management as I hold an NQF level 4 in management as well as a driver job I have a drivers license and own my own car.

Thank you very much.
