Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for security guard job which I have qualification for, but I can take any general labour if available. Cleaning, packing or customer service, such waiter or call centre.

I have been working part-time jobs for too long, now I'm in need of a full-time job even if It not my dream job, but if I can be able to put food on the table and save some for future, I will be very happy.
