I have extensive experience in planning, implementing and managing marketing and communication strategies including the implementation of annual multi-channel marketing outputs by utilising social media, PPC, SEO, CMS, CRM, and email marketing ensuring alignment to the organisation's vision, strategic objectives, policy and brand identity. I enjoy employing a data-centric approach to measure the effectiveness of marketing efforts and take an evidence-based practice in making key decisions.

I have excellent written communication skills cultivated through developing multi-channel communication plans, digital marketing reports, media releases, marketing collateral and through re-purposing existing content for digital properties. I am confident in my verbal and interpersonal communication skills honed by working closely with executives, cross-functional departments, as well as in the management of campaigns briefs to agencies ensuring quality outputs and deadlines are honoured.

As a strong leader who enjoys working independently and as part of a team, I firmly believe in the importance of responsible and authentic leadership. A dedication for integrity and ethical practices is
