Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a teaching job teaching learners from Grades 4 - 9. I am passionate about education, guiding children and giving them the chance to investigate, learn and come to "eureka moments" which can inspire them.

I hold a PGCE and a BA degree, and I majored in English and Psychology. I am very experienced but also full of enthusiasm and creativity. I have successfully taught English, social sciences/history and geography as well as life skills, maths and sciences. I've also coached various sports and clubs from mini soccer and cricket, to producing school play productions and book clubs.

I love being part of a community and working together, sharing knowledge, teaching and also adding to the social side of life. I love music and am part of a choir myself, so I do enjoy adding to the musical side of a school environment.

I am very open to trying new things and challenging myself.
