

Montgomery Matsoso

Curriculum Vitae (CV)

What job i'm looking for? My positive points

With over a decade of software development experience, I have honed my problem-solving abilities and coding skills in various environments. In the past two years, I have deeply immersed myself in C#, utilizing its robust features and tools to create efficient and scalable applications. My extensive background in software, combined with my passion for C#, positions me uniquely to contribute and grow within a dynamic development team. I look forward to the possibility of leveraging my expertise and adaptability to add value to your projects.
