Curriculum Vitae (CV)

What job i'm looking for? My positive points

As a qualified graduate in food technology I have started my career at Anchor Yeast as a Laboratory technical. I have worked at PepsiCO and progressed my career within culminating in a Operations Manager, which included a secondment to start up the third Simba snack factory in the country.

In this time I have sharpened my interpersonal skill as I had to coach and mentor staff in additional to the operational requirements.

In this time I was deemed fit to take on additional responsibilities of Plant Scheduler and Site Utilities resourer. In this time my targets was reached to the satisfaction of the organisation.

At Montagu we established a honey plant and increased production significantly in the 1st year.

As an experienced Operations Manager with a demonstrated history of working in the food & beverages industry. Skilled in Microsoft Excel, Customer Service, Microsoft Word, Strategic Planning, and Public Speaking.

I am available at your convenience and hope to hear from you soon to further discuss my achievement and how I can be a great addition to your organization
