What job i'm looking for? My positive points

The job that I am looking for is to be a cashier or a packer, the reason why I'm looking for this job is because I started working as a till packer before at Pick n Pay towers thn I got promoted to be a cashier and I also worked at Pick n Pay showgate as cashier...I've gained so much experience as I was handling cash during checkouts , good communication with my employees and customers...I'd say it was a great opportunity and good experience for me... because I've learnt a lot about how should I handle cash, credit cards and how customers should be treated...I thank you
