My name is Jenna-Leigh Higgs, I am 25 years old. I have completed my degree in Education

Additional information specifically in the Foundation Phase years at Varsity College. I completed my degree with a Magna

Salary you wish **15 000 R per month**
 I am an enthusiastic person, who will always try their best when it comes to helping people. I have a passion for teaching whether it is physically inside a classroom or working online. I want to share my knowledge and experiences on education with others to allow them to have positive and encouraged learning environment, as everyone has a right to education. I am a hard-working person who will never give up and will assist the school/company where I can. I can work alone or in a group scenario, I am able to pick up on new skills quickly and adapt to my surroundings. Furthermore, I can work under pressure and I communicate well with people. I am a confident person, and good at problem solving. I am self-motivated and can get things done on my own. Lastly, I have good time management skills and punctual to be at places on time.

Beyond my teaching experience, I believe I have the skills, positivity and enthusiasm that makes me the perfect fit to serve this role as a foundation phase teacher. I can share my values, beliefs, and experiences with the colleagues and students. I have always had a passion for education, and I believe that every person should have the right to education and to continue their journey in learning their interests. Having had a lifelong passion for education. At the end of the day, I chose
