Curriculum Vitae (CV)

What job i'm looking for? My positive points

The passion for my profession is undoubtedly my greatest strength. I believe it reflects in my lessons, and how I deal with students in difficult situations. I believe they can feel that I want the best for them, and motivate them to try hard and to keep on trying even if the outcome is not perfect. My ability to communicate with students, and understand their emotional world is my strong point as a teacher. Students feel safe to discuss their problems with me and ultimately ask for guidance to solve a problem. Together we celebrate victories and find solutions for failures to help us improve and move forward.
