Curriculum Vitae (CV)

What job i'm looking for? My positive points

It can be a retail store or a clothing store. I believe with the kind of experience that I have working at Spar and working at Shwarma I can bring new energy and ideas. I am a flexible person who like new challenges every day. I like to challenge myself to see how much I can take in a work place. I am a team player. I don't complaint but I comply. I am confident in what I do. Whenever I put my mind into something I make sure I make it come to life. I am willing to learn more about the company of which will grace me with it's job invitation for me to come for an interview and start the journey together. I am available to start anytime. I thank you.
