Curriculum Vitae (CV)

What job i'm looking for? My positive points

Good day, Thank you for taking your time to go through my C.V. My name is Tsholofelo Jackson Motlhabane. I am a young man that comes from a small township named Madikwe in rustenburg. I'm a very approachable and appealing person, very kind and loving. I have no mother or father all I'm left with is my little brother who currently completed his matric and isn't in varsity due to my home situation. I do have other family members but none of them is employed hence I'm trying my luck applying for this job. I'm a very hard working young man and I'm also a fast learner and also very good at what I put my focus on to.

I hope my C.V becomes one of the favoured ones so I can get this job.

Please get back to me as soon as possible. I will be waiting to hear from you.
