## What job i'm looking for? My positive points

I'm looking for any job so that I can have income to provide for my needs. I'm Dineo from ThabaNchu, I have a Degree in Agricultural Management but I'm still not working. I'm young (below 35), I'm a hard worker, team player and I'm willing to learn. I know how to use microsoft word, excel and PowerPoint. The reason why I want any job is because there's a beginning for everything, even if the job is not agricultural related, it is fine. I am willing to learn and work hard.
