Curriculum Vitae (CV)

What job i'm looking for? My positive points

Any job that will help me or allow me to grow and learn professionally, and definetly a job that challenges me. A job that will allow me to use my skills

My name is Bonolo Michelle Phohlo. I was born and raised at Tshepiso Phase 1. I did my matric late year but did not get good marks. I enrolled at Flavius Mareka college at Sasolburg did my N1 but dropped out because of finances at home. I don't have any job experience. I live with my mom and sister they do work but their work does not quite pay them a lot. So I won't to help. And if I get any job for me to help at home and gather money for college I would be delighted
