What job i'm looking for? My positive points

I'm very good with people. I like a challenge because you learn something new everyday. I know xhosa, ke motswana, sotho, zulu, english and my afrikaans is only fair. If there's anything i'm good at, is working. A job that builds people, challenges them to move forward, a job that will change me so i can pave a better way for my two daughters.
