Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a young, ambitious girl who grew up in a big family that didn't have much but we didn't lack either. I have a matric certificate and I got an admission to a Bachelors pass. I'm currently doing my first year in Bachelor of Social Science at a certain college. The reason I'm applying for the position of a Safety officer is because I know I have the potential to lead, I'm a socially active person that is able to communicate well and I understand that as people we need to stand together and not against each other. I'm not afraid to correct the wrongs of others and I always stay true to myself.
