

Relebogile Molaoa

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My Name is Relebogile, and I am a kindhearted unemployed person who has spent the last period looking for work.

Friends & family would describe me as well mannered. Others strongly believe in my ability to treat others with

respect. My critics may prefer to refer to me as emotionally intelligent - whats happening on the inside does not show on the outside. I prefer an organising role and naturally approach life in a calm and patient manner. Friends and family would

suggest that my ideal role is one which utilises my gift for working with people and provides me with clear and

achievable goals and targets. I would prefer a compensation package which is a combination of basic salary with team

performance based commission.

A fitting title of my autobiography would be: I love working with people, and I am a very passionate person. I consider

other people's feelings and respect their ideas. I pay attention to ones actions and uttered words.

I love working with a team of bubbly

fellows, working as a team, helping each other, sharing everything we have. It must be a chilled and peaceful

environment full of laughter and ideas. It must be a clean environment, peaceful and comfortable. .
